Windproof WR Fabric that allows you to keep your hand warm and dry.

Designed with a breathable fabric, it improves breathability and ensures fast drying. The fabric is completely customizable.

The special closure without velcro is able to follow the anatomy of the hand guaranteeing the best fit and maximum comfort.

Particular attention has been given to the length of the fingers. Studied and created following the hand anatomy, fingers have different lengths in relation to the real fingers size to have the best fit

A special silicone resin that thanks to the symmetrical design allows a perfect grip for a good handlebar control. It is also a small protection in unlucky fall episodes.

Windproof fabric with WR treatment can guarantee maximum comfort.
